

INSTRUCTIONS FOR FINDING YOUR SETTING

SPORTSTER MODELS

New Fuelpak settings are continually being developed, if you do not find your application please visit fuelpakfi.com to search for your specific application information. If you need further help you may email: tech@fuelpakfi.com or call (562) 921-0071.

1

Locate the appropriate section for your configuration.

- Stock Engine With Vance & Hines Exhaust
- Stock Engine With Other Manufacturer Exhaust

For modified motor applications please visit www.fuelpakfi.com

2

Now locate your specific configuration from the choices listed. (Note: you must know the ECU LEVEL of your bike as each setting is directly related to this information. If you have purchased a used bike or do not know if the ECU has been modified, visit your local Harley-Davidson dealership to have your ECU analyzed. Your bike will not run properly if you do not install the proper Fuelpak Setting for your application.)

3

Fuelpak is designed to work in conjunction with a High Performance Air Filter. (Note: Fuelpak does not provide settings for applications that do not have a High Performance Air Filter installed.)

4

Once you have located your setting, match the SETTING NUMBER for your application to the same number on the SETTING VALUES pages. Please see example on right.

5

Now that you have found your setting, you are ready to install Fuelpak. See INSTALLATION INSTRUCTIONS to install the Fuelpak module on your bike.

6

Please follow the instructions carefully and be sure to calibrate your Fuelpak in MODE 19. See INSTALLATION INSTRUCTIONS for more information on calibrating your Fuelpak.

EXAMPLE:

Here's an example of how to look up your application:

IF YOU HAVE:

- 2007 Harley-Davidson® Sportster 1200
- Stock 1200 Motor
- Stock ECU Level
- Quiet Baffles
- High Performance Air Filter
- Vance & Hines Shortshots Staggered Exhaust

YOUR VALUE REFERENCE IS: FP-0682.

NOTICE: Fuelpak is intended for racing or off-highway use only, and is not legal for sale or use in California on pollution-controlled vehicles.

STOCK ENGINE SPORTSTER MODEL WITH VANCE & HINES EXHAUST

SETTING REFERENCE

*Please note: If your Electronic Control Unit (ECU) has not been modified by the dealer, then choose STOCK for your ECU LEVEL.
